

### **ATR 4 Funding for Veterans with SUD**

The Division of Behavioral Health has been awarded an Access to Recovery (ATR 4) grant that is available as of January 2015. ATR 4 is a three year grant that will provide approximately \$2.2 million per year for treatment and recovery support services across multiple populations, including Veterans with a Substance Use Disorder (SUD).

To access ATR 4, Veterans Treatment Court Coordinators, Felony Parole and Probation Officers, and Misdemeanant Probation Officers will refer clients to Business Psychology Associates (BPA) using the Funding Profile Form. Eligibility will be determined based on the following criteria:

- Income less than 200% of the Federal Poverty Rate in the past 30 days
- Assessment shows client meets clinical eligibility
- Veterans\* with SUD on supervised probation and are involved in a problem solving court

Services available under ATR4 include:

- Outpatient services including individual, group, and family counseling
- Adult Social Detox
- Case Management
- Safe and Sober Housing
- Drug Testing
- Transportation for treatment services
- Life Skills
- Recovery Coach
